

OFFICE CLOSED 22/06/2021

As employees of CaixaBank we declare ourselves on strike, in defence of our jobs and looking forward to continue delivering excellent service to our customers.

We oppose the dismissal of 8,291 people and the closure of hundreds of branches.

We oppose this disproportionate reduction of staff that will prevent us from being able to serve you properly.

I am closing today so that I can serve you tomorrow (and always).
